Figure 3B

Figure 3A and Figure 3B are black and white micrographs of a dark, elongated biological specimen, possibly a nematode. The specimen is oriented horizontally. In both panels, the head region on the left is labeled with 'E' and 'F'. A label 'Y' is positioned below 'F'. In panel B, a white arrow points to a specific feature on the right side of the specimen. A small scale bar is visible in the bottom right corner of panel B.
